

# A Dangerous Atrophy Novel Chapter 7 To 8

---

## Chapter 7

“Anna Jian, I’m out of prison, what do you want to do? I want to go to Erhai Lake, the beauty of Erhai Lake is clear and clean. The water birds there are very cute, the fish and shrimps in Erhai Lake are very delicious, the sky is bluer and the water Clearer, even the sun is warmer than this city.

I want to work hard to make money, make a lot of money, go there and open a small homestay. I don’t want to make money. I just want to face the Erhai Lake every day. I don’t want to make a lot of money, as long as I have enough food and clothing, I occasionally watch backpackers come and go, come and go.

Sister Anna Jian, I seem to be dying. What to do, I haven’t had time to take a look at the beauty of Erhai Lake. “

That was the ordinary sad voice that Anna Jian could not forget in this life. She hugged the girl and kept using her body temperature to warm up the girl’s gradually cold body.

As she died, the girl in her arms, with clear eyes, with desire, looked at a small piece of sky outside the tiny bars of the prison. She said, “Sister Jian, I have never been to Erhai Lake. Those from Erhai Lake Beauty is what I saw on TV, newspapers and magazines. I know that even if I get out of jail, I don’t have the money to open a small homestay in Erhai. I just thought that when I was dying, it’s impossible to do it. A dream realized.”

So far, Anna still remembers the longing look in the girl’s eyes before she died.

Memories are still so painful, and the corners of my eyes are unknowingly wet. She stretched out her hand and wiped it secretly. Creeping on the ground, one hand quietly touched his left hip, where the head was empty, with one organ less than normal.

Because of this, she can’t drink, she must live.

She owes her debt and can’t pay it off!

She is guilty and has not been redeemed yet!

Do not!

Can't die yet!

Anna Jian raised his head, looked at Danny Shen, shook his head, and said, "Mr. Shen, as long as you don't let me drink, anything will do."

Anything...?

The man's falcon-like eyes narrowed, and the corners of his mouth slowly turned upwards, "Anything?" He opened his mouth, revealing a hint of danger.

The big Miss of Anna Jian Jian's family, all the self-confidence and arrogance that were once lost?

He wanted to see if Miss Anna in the memory before him had really become another person.

"As long as you don't drink. Anything will do."

"Okay!" There was a flash of cold stern on the man's face on the sofa, and then he snapped a finger in the air. With this sound, a figure slowly walked out from the dark corner: "Sir." The man was dressed in black. In the suit, the clean and neat inch head is respectfully bowed at 45°. This person should be Danny Shen's bodyguard.

Anna Jian looked at Danny Shen in the dim light in confusion. On the man's perfect golden face, he slowly burst into a smile like a manzhusahua, and his thin lips moved: "ki\$\$ him."

Anna Jian followed his slender fingers and fixed his eyes on the silent black suit bodyguard behind him... Suddenly, his eyes widened!

"Why? Can't it be done?" Danny Shen's playful smile came to her ears: "Either, drink. Or, right here now, start your performance."

"Wow!" A basin of ice water poured down from the head, Anna Jian's whole body was cold and there was not a trace of popularity, ears buzzed, raised his head, and looked at the man who was like a king of God on the sofa... What did he say?

Performance? Oh... let her be like a Miss in the dust, performing ambiguous ki\$\$ scenes here?

She slowly pressed her dry lips, it turned out that her first ki\$\$ was so cheap. Even if only fear and fear remain for his feelings, even though she has cleaned up her feelings

for him long ago, and buried them in her heart, it is still uncontrollable, and a bit of pain is welling out.

She slowly looked at Danny Shen, those eyes were neither cold nor hate nor love, only the rich despair that could not be overcome!

Danny Shen happily admired the despair in her eyes. This woman...should refuse his absurd request? Drinking and performing ki\$\$ing scenes with strange men in public. Any woman would choose the former, right?

Besides, she is still the former Anna. That arrogant Anna.

“Can you change it?” After all, this was her first ki\$\$\$. In his eyes it can be cheap, in her own eyes, it is very important.

She didn't want to be so, lost her first ki\$\$\$.

She already has nothing.

The man raised his wine glass and said, “You are not qualified to bargain with me.” A cheerful smile evoked at the corner of his mouth. He wanted to see how humble and lowly who\*e in S City can be!

“Okay, I see.” Anna Jian stood up stupidly. Her legs and feet were not very convenient. After kneeling for a long time, there was pain in her leg bones, and she almost fell to the ground again. She raised her hand and hammered hard. After a few thighs, the meridians were relieved, and he limped up to the black bodyguard.

Because of her hammering her legs, the men in the box only thought she had been kneeling for a long time and her legs were numb. Susie knew that the limping woman was suffering pain that ordinary people could not bear.

Susie regretted it because she had implicated Sister Anna.

“Sister Anna Jian...” Susie couldn't help but speak. But Ray, who was sternly warned by the cynical side, closed her mouth in fright, her eyes full of regret, but could do nothing to look at the poor woman who was limping.

Anna Jian looked dumbfounded, walked up to the bodyguard, took a deep breath, and let out a foul breath. After a long while, she pretending to be calm, raised her arm and grabbed the shoulder of the black bodyguard.

She seemed calm, but the black-clothed bodyguard who was closest to her, grasped by her shoulders with both hands, clearly noticed the trembling of Anna in front of him.

Anna, he also knows. But this black-clothed bodyguard still can't believe that the embarrassed and humble woman in front of him is the once arrogant and energetic Miss Anna.

Standing on tiptoes, Anna Jian's pale lips, tremblingly leaning against the lips of the black bodyguard...

Losing the first ki\$\$ will not lose a piece of meat, and the possibility of her not dying after drinking that drink is almost zero.

She wants to live, first ki\$\$, what is it?

Danny Shen looked complicated. She chose the latter in the end.

The man on the sofa squinted his eyes, his thin lips just opened. There was a sudden voice at the door: "Hey, it's you? Why haven't you left?"

As soon as this voice sounded, all the people in the box followed the sound. At the door of the box, a tall man entered at some point.

Anna Jian shook his head and looked at the door: "It's you..."

Ray looked at the tall and upright man at the door, then looked at Anna Jian, and his peachy eyes narrowed: "Oh, Henry Xiao, you know her." That's weird, a cleaner, worthy of Henry Xiao to meet?

Ray touched his chin, clearly watching the show.

Danny Shen's sight also fell on Henry Xiao. A faint dark under the eyes.

Henry Xiao didn't care that the eyes of these people fell on him, he looked at Anna weirdly...what did the woman want to do? How does it seem to ki\$\$ Danny Shen's bodyguard?

Blinking indifferently, Henry Xiao sketched a smile: "Oh, it's strange, just after I left, this box became lively." Henry Xiao put his hand in his suit trouser pocket, and walked towards Anna Jian lazily, asking as he walked. : "What are you doing?"

## Chapter 8

Ray was about to speak, but Bai Yu interrupted Ray without a trace. slender eyes flashed, "She, irritated Master Steve. Here, did you see it? That wine on the table," Elio casually pointed to the whiskey on the coffee table: "Master Steve Having said that, either let her drink up the wine. Or, let her perform a ki\$\$ in public, just as a sideshow."

"Oh~" Henry Xiao let out a long "Oh" and walked slowly towards Anna Jian, while lazily glanced at Danny Shen on the sofa, and touched his chin cynically:

"Master Steve really knows how to play. Since you want to watch a hot ki\$\$ing scene, you might as well let me be the leading actor. It's not that I am bragging. If my Henry Xiao's ki\$\$ing skills are number two, no one dares to be number one. "

After speaking, the thunder couldn't hide his ears, and with his long arms stretched out, he pulled Anna Jian in the mist into his arms.

Anna Jian couldn't react, and his whole body slammed into Henry Xiao's arms. In the next second, her lips were warm, and her eyes widened.

She... was ki\$\$ed?

boom!

His face became hot instantly, from the roots of the ears to the toes.

Henry Xiao was surprised at the matte and softness of the small mouth under the pressure of thin lips. The touch... that's so fu\*king good!

I didn't want to ki\$\$ deeply, but in a mischievous mentality, I just prepared to touch her lips quickly, but didn't want to be caught by the touch on her lips.

To deepen this ki\$\$, I will forcefully snatch away the woman in my arms.

Henry Xiao didn't get the sweetness he expected, and looked dissatisfied with the person who took Anna away.

"Danny Shen, return the person to me."

Danny Shen's expression was gloomy, her eyes sharp, "She offended me. No one can take it away before I calm down."

Henry Xiao raised his eyebrows and looked at Danny Shen. They are both enemies and friends, since childhood. Even if he later went abroad with his parents and Danny Shen stayed in China, their relationship has not changed.

However, the woman Danny Shen cared about... Henry Xiao was very curious, and glanced at the woman who was pulled behind by Danny Shen, Henry Xiao was surprised to find that her ears were red.

It suddenly occurred to me that it was the first time this woman was even hugged by a man, and she wouldn't even ki\$\$...

"Hey, is this your first ki\$\$?"

boom!

Anna Jian's face was redder than a monkey's bottom. The ears are red and can bleed. Needless to say, her blushing face is dáàn.

Even Henry Xiao himself didn't realize that he was in a good mood at the moment.

Cursing the corners of his lips, Henry Xiao looked at Danny Shen with a smile but a smile: "What if I have to take her away?"

Ray's shouts of applause for fear of not being chaotic sounded all around, and the whistle sounded again and again, "Elior, get your phone and record it! Young Master Xiao is a beauty, and he will not hesitate to provoke Danny Shen. This news is sold to magazines, it must be It can be sold at a sky-high price! Tomorrow's front page headlines are indispensable!"

Elior poured a glass of whiskey on his own, raised his eyebrows and ridiculed Ray with an excited look: "I can guarantee that if you do this, tomorrow's front page headline must be the reappearance of an unknown naked body on the Huangpu River."

"amount....."

Danny Shen naturally saw Anna Jian's blushing face. Suddenly I felt that this shy expression was very annoying.

The sharp eyes fell on her lips coldly. He squinted, not knowing what he was thinking.

Being watched by Danny Shen's unbridled eyes, Anna Jian glanced embarrassedly at the beginning, trying to avoid this unclear sight.

Danny Shen was inexplicably angry. She squeezed Anna Jian's wrists with iron tongs. He bent over and carried the person on his shoulders like a sandbag. Under the stunned eyes of Henry Xiao, Elior, Ray and others, he strode. Step out of the box door.

Henry Xiao was the first to react, turning anger into anger.

"Stop!" Without a word, he chased up.

Ray opened his mouth wide, still not digesting the facts he saw before his eyes.

Elior suddenly stood up from the sofa, "Here is a good show." Regardless of Ray behind him, he raised his heels. Ray finally reacted, "Wow!" stood up and said, "Wait for me! How can I enjoy a good show alone? It's not as good as the others."

Susie's face turned pale, and his feet seemed to be glued to the ground, unable to move. All she knows is... it's over, Anna Jian was killed by her this time.

Feeling guilty, but don't know what to do.

If you tell Sister Alora, then she will be finished. If Sister Alora knew that it was because of her rude words that caused such a big thing, she would no longer be able to be a fuwu student here.

On the one hand, I feel guilty, and on the other hand, I am afraid that if things happen to Ms. Alora, I will suffer. Susie hesitated, struggling inside.

At last.....

"It's okay, it should be okay. Sister Anna Jian is just a cleaner. That Master Steve is just angry, there is no need to embarrass a cleaner. Yes, yes, it should be okay." Susie muttered to himself, constantly persuading himself, This kind of self-deception made her feel less guilty.

Henry Xiao chased out quickly, Danny Shen walked in front, suddenly turned around, his slender legs drew a sharp arc in the air, a kick was neat and unrestrained, after pushing back Henry Xiao, he quickly stepped into the nearby. In the elevator.

Henry Xiao had to chase it again, and the elevator door was right in front of him, closed tightly!

"fu\*k!" Just a little bit, Henry Xiao was so angry that he slammed a fist on the elevator door.

Ray and Elior were really good partners and arrived at the scene one after another.

Ray feared that the world would not be chaotic, and irritated Henry Xiao: “fu\*k, isn’t it? The elevator has stopped on the 28th floor!!! Hey, Elior, look, what is Danny Shen doing? Bring a cleaner to the 28th floor. “Under the sixth floor of this building is an entertainment club, commonly known as a nightclub. It’s just that those who come to the Donghuang for consumption are either rich or noble. People with status are naturally elegant.

And above the 6th floor is the hotel.

Why is it designed like this... I don’t have to say any more, as long as you are not a fool, you can understand why.

Elior’s slender eyes flashed with dim light, and he sneered at Ray: “The cleaner is also a woman. Is there such a fuss?”

It’s okay not to say this. When I said it, Ray couldn’t help but slander: “How unique is Danny Shen’s taste? It’s too heavy.” Bring a cleaning lady to open the room? Ray smacked his lips, recalling the figure and appearance of the cleaning lady, and couldn’t help but shiver.

“!” Henry Xiao hit the elevator door with another punch when he heard the words. Then desperately press the elevator elevator button.

“Hey, Henry Xiao, do you still want to catch up? You didn’t know when you just returned to China. The entire 28th floor here is Danny Shen’s. You can’t go up without a key card.”

Henry Xiao’s entire face was dark.

...

The speed of the elevator was extremely fast. The elevator door made a “ding” sound. The door suddenly opened. Danny Shen stepped out of the elevator quickly, carrying Anna Jian, skillfully bypassing the living room, and striding into the bedroom.

boom!

Anna Jian only felt a flower in front of her. In the next second, she was thrown mercilessly on the Persian long-haired carpet by Danny Shen. “Hmm~” Before she

could react, she had a sharp pain in her jaw. She was forced to open her eyes and Danny Shen knifed. Axe's handsome face was close at hand.

"Anna Jian," the man's cold voice slowly sounded, and Anna Jian's body trembled involuntarily. The man's voice continued: "Anna Jian, you really opened my eyes to see today."
